Laurie

Thank you for sending this to me.

I am not sure, but I think you have a typo in the title for slide 5. I think you meant to say "certainty" rather than "uncertainty"?

If I am correct and you can send me an update later today that would be great. Because the mema material specifically discusses the SAFE rule I will need to write a memo to the SAFE rule epa public docket and include the handout.

Thanks
Bill

Bill,
So you have them, we plan to share a hard copy of the attached slides with Sarah in our meeting tomorrow.
